Dear Friends,

Congratulations to you on the upcoming 20th anniversary of Homeless Not Toothless.

For nearly two decades, Homeless Not Toothless has provided free dental care to homeless and underserved residents at nearly three dozen dental offices in the greater Los Angeles area.

Your non-profit organization continues to grow despite fiscal hardships, thanks to the generosity of founder Dr. Jay Grossman, dentists, staff, donors and volunteers. Without your compassion, many people would go years without cleanings, fillings and other important dental care.

I applaud your organization's philanthropy and continued success and look forward to working with you more in the years to come.

Sincerely,

A handwritten signature in black ink that reads 'Ed P. Reyes'.
