To Whom it may concern,

My name is Keith Wieser and I am the Executive Director of Angels Nest TLP. Angels Nest TLP is a 501-C non-profit that provides housing for Former Foster Youth and Homeless Youth to attend college. For the last 3 years Homeless not Toothless has been instrumental in providing low cost (at times no cost) dental services to our clients. Angels Nest TLP is forever grateful for the continued support that Homeless not Toothless has provided to our clients. Most of our clients have serious dental issues due to not seeing a dentist in years. The services that Homeless not Toothless provides has improved the overall health and well being of our clients. Without Homeless not Toothless many of our residents would have missed school due to serious dental issues (gum disease, needed crowns, cleanings etc.). Homeless not Toothless is a great resource that is needed in communities striving to make a difference in the lives of the less fortunate. Please feel free to contact me with any questions regarding Homeless not Toothless.

Sincerely,

A handwritten signature in cursive script that reads "Keith Wieser".
